Total waste.. Why dont u go f\*ck your Merits.. Christmas gifts in this package. 76% OFF! ----- ??? Merit x1800 ----- Oh yah!! :) Unlock the Shark Paint for all your DD, CL, CA and BB.. not worth it. Paint looks nice and all but you can only buy it with gold (even for the 7 day version) and lets not talk about the merit.. One of the most useless packages I have ever bought.
